CAPABILITY STATEMENT • 2026

CERTIFIED PAYROLL &

Prevailing-wage compliance
FOR CALIFORNIA PUBLIC WORKS

Weekly certified payroll for California public-works contractors, prepared and checked against the governing DIR wage determination before it is filed. The contractor stays the employer of record and makes the certification.

CORE COMPETENCIES

- Weekly pre-flight review of certified payroll against the governing DIR wage determination: base and fringe by craft, classification against the work performed, overtime (Labor Code §§1813, 1815)
- Apprenticeship compliance: apprentice-to-journeyman ratio (§1777.5), DAS 140 and DAS 142 tracking, monthly CAC-2 training-fund package
- DIR eCPR-ready submissions: the contractor submits with its own PWCR login, or, where a portal accepts an authorized submitter, filed on the contractor's written authorization
- Records kept current for §1776 requests
- Subcontractor roster checks: DIR public-works registration and license status, each line sourced to its public register

DIFFERENTIATORS

- Every finding cites the statute or rule it comes from and carries a dollar figure
- A person reads every finding before it reaches the client
- Published per-project prices; scope and price in writing before work
- Principal-led: the person accountable for the filing is the person you email

EXPERIENCE

- The founder managed certified payroll and prevailing-wage work on the contractor's side for years before founding Aeternus to do it for other firms. This is the principal's experience, not the firm's past performance.

COMPANY DATA

LEGAL NAME	Aeternus Dynamics LLC
ENTITY	California limited liability company
SAM.GOV	Active registration: UEI JWJNA5J8ZDU6 • CAGE 24U68
NAICS	541611 (primary), 541214, 541612, 541618, 541990, 561110, 611430

SCOPE, STATED PLAINLY

- Not a law firm; no legal advice
- Does not run payroll or sign the certification
- Holds no CSLB license; performs no construction work
- AI-assisted; a person is accountable for every deliverable

ENGAGEMENT MODEL

START

The award notice and one recent week of payroll output. Scope and price are confirmed in writing before any work begins.

PRICE

A flat monthly fee per active public-works project, published at aeternusdynamics.com/certified-payroll-review.html.

EACH WEEK

Findings with the statute cited and a dollar figure, read by a person; you review and e-sign; an eCPR-ready submission; you certify.
